

**the world of
technology
comes together**
for you

**AT&T U-verse[®]
is coming to
San Francisco**

imagine the possibilities.

High-speed broadband access to the Internet empowers, transforms and enlightens.

That's why AT&T is embarking on one of the largest network upgrades in our history. We're bringing fiber optic technology built on the global standard of Internet Protocol (IP) to San Francisco.

imagine:

Your television, cell phone, laptop, PDA, digital video recorder, home appliances and so much more – working better because they work together *for you.*

We are currently meeting with San Francisco neighborhood groups. To request a meeting or to find out how you can help bring AT&T U-verse[®] to your neighborhood, please contact us today.
