Healthy Foods and WIC Nutrition Services at No Cost to You

Eating well during pregnancy is important. The Women, Infants, and Children (WIC) Nutrition Program can help. WIC serves pregnant women, new mothers, infants and young children under five years old who meet 185% or below of the federal poverty income level. WIC benefits include nutrition and breastfeeding education and support, checks to buy-healthy foods (such as fresh fruits and vegetables) and referrals to low cost or free health care and other community services.

Enrolling in WIC early in your pregnancy will give your baby a healthy start. Also, WIC staff can show you how you and your family can eat healthier. Migrants are welcome to apply as well.

San Francisco WIC has six offices throughout the City. For more information, call (415) 575-5788. This institution is an equal opportunity provider.

Health Benefits!

For recently granted Asylees, Refugees, and Victims of Human Trafficking

Newcomers Health Program works to promote the health and well-being of newly arrived refugees, asylees and immigrants throughout San Francisco by providing access to excellent medical services and community referrals.

We offer health assessment services, and access to, in-person medical interpretation, referrals and ongoing health services for new refugees, asylees and victims of trafficking (VOTs). Our health workers are professionally trained medical interpreters who speak more than 8 languages and we have access to interpreter services for many other languages.

These services are FREE to you if you have Medi-Cal (public health insurance). You must apply for Medi-Cal within the first 8 months of your legal status as a refugee, asylee, or VOT.
