

SEE OUR PROGRESS in San Francisco

Jesse Cottonham Human Performance Senior Specialist

“ I grew up in San Francisco and am proud to still call this city my home. I like being able to put a personal face on the company to help my neighbors understand all the work we’re doing to provide safe, affordable and reliable service. ”

At PG&E, our customers are our neighbors. The communities we serve as PG&E employees are where we live and work too.

That’s why we’re investing \$4.5 billion every year to enhance pipeline safety and strengthen our gas and electric infrastructure across northern and central California. It’s why we’re helping people and businesses gain energy efficiencies to help reduce their bills. It’s why we’re focused on developing the next generation of clean, renewable energy systems.

Together, we are working to enhance pipeline safety and strengthen our gas and electric infrastructure—for your family and ours.
