Free Workshops for SOMA Small Business Employees & Owners

While the SF Bay Area is world-renowned for its leading technology companies, Small Businesses have been left behind. **Urban Solutions** is introducing a new program for Small Business owners and their employees to bridge this Tech Divide.

Join us for monthly sessions, with help from your neighborhood Techies from some of the Bay Area's premier technology companies - including **Square, Twitter, Yelp**, Salesforce, Vertical Response, Wix, and more!

Learn about website design, point-of-sale, inventory and payroll management, social media marketing, budgeting and accounting, and customer/client engagement.

If you own or work for a Small Business in SOMA, you are eligible to attend - FREE!

SESSIONS BEGIN AUGUST 20, 2015!
