Under Prop R, renters will be eligible to buy our own apartments. Prop R extends rent controls to post 1979 buildings that are subdivided.

**Under New HUD Rules,  
Rent Subsidy Payments Can Be Used  
For Your Monthly Mortgage.**

Prop R makes home ownership possible for everyone. The non-profits have been collecting our rent subsidies for too many years.

Now it's time for them to fulfill their promise to turn ownership over to the residents.

**Garrett Jenkins has fought forcefully  
for your rights as a tenant, and for your  
right to own your apartment.**

**Vote Garrett Jenkins Nov. 5th!**
