

Finally, Some Truth in Labeling.

Official Ballot Label on Proposition H

Shall the City: evaluate making the City the primary provider of electric power in San Francisco; consider options to provide energy to San Francisco residents, businesses and City departments; mandate deadlines for the City to meet its energy needs through clean and renewable energy sources; establish a new Office of the Independent Ratepayer Advocate to make recommendations about utility rates to the City's Public Utilities Commission; and **allow the Board of Supervisors to approve the issuance of revenue bonds to pay for any public utility facilities without voter approval?**

The official ballot label shows Prop. H takes away your right to vote on bonds.

After You Read the Label, You Won't Buy **Prop. H.**

Prop. H gives this Board of Supervisors, and all future Boards, the **power to spend billions to take over any utility without voter approval.** Join Dianne Feinstein, Gavin Newsom, San Francisco Fire Fighters Local 798, the Coalition for San Francisco Neighborhoods and SPUR in voting **NO on Proposition H.**

"Prop. H will give politicians and unelected commissioners the power to borrow billions to take over utilities without a vote of the people. And San Franciscans will be forced to pay the cost."

—GAVIN NEWSOM,
San Francisco Mayor

"Prop. H is financially irresponsible. It will put the city billions of dollars into debt, which will be passed on to ordinary San Franciscans through increased electricity bills – \$400 more a year on average."

—ROB BLACK,
SF Chamber of Commerce

"Prop. H does something totally unprecedented: it takes away our right to vote. It gives the Board of Supervisors the power to issue revenue bonds without voter approval to take over utilities."

—ANNI CHUNG,
Senior Advocate
