

“Any time you eliminate a station
it is going to have an impact. It could
be considered Russian Roulette.”

Station #36 on Oak Street at Franklin.
Protect safety in your community by saving
your neighborhood firehouse.

A 2005 study by the San Francisco Fire Department concluded that response times were slower in 22 of 24 areas of the city where fire stations were “browned out.” Longer response times put our neighborhood safety at risk — the faster the response time to emergencies, the greater the chance of saving lives and preventing damage.

But the San Francisco Board of Supervisors is considering a new

plan that would cut funding and “brown out” more of our neighborhood firehouses, our first line of defense in the event of fires, medical emergencies or any major disaster.

Visit www.SaveOurFirehouses.com for instructions on how to call or email your local Supervisor to urge them to protect your neighborhood safety and Save Our Neighborhood Firehouses!
